We recommend travel insurance to protect your travel investment. You must purchase this insurance independently. We recommend Travel Guard Insurance and other reputable travel insurance providers (like Travelex or Travel Safe). You may visit these insurance companies online. Make sure you check their strike list and alert list for situations or vendors that they are not covering (this list varies from time to time).

*) I UNDERSTAND < please check here that you understand that if you wish to protect your trip with travel insurance, you need to contact Travel Guard or another insurance company directly once we notify you that your deposit has been charged.
