

Catholic Schools Week

The week of January 26-February 1 is National Catholic Schools Week. We take time to celebrate the great gift of Catholic schools to our communities and nation. The first Catholic school was founded in 1783 in Philadelphia.

When was your Catholic school founded?

During Catholic Schools Week there is a theme each day, which schools around the nation are celebrating. Join in the celebration.

Sunday - Celebrate your Parish

Write a card or a letter to a parish member thanking them for the gift of your Catholic school.

Monday - Celebrate your Community

Send a card or a letter to your community leaders letting them know you appreciate what they do for your community and offering to help keep your community a great place to live.

Tuesday - Celebrate Classmates

Take or draw a picture with your friends and classmates. Say a prayer for them when you go to bed.

Wednesday - Celebrate the Nation

Do some research. Find out who your local legislators are. Send a simple note to let them know what great things are happening at your school.

Thursday - Celebrate Vocations

Make a card or write a letter to your pastor(s) thanking them for saying YES to God's call.

Friday - Celebrate Teachers

Do something special for your teacher(s). Write a card or note, thanking them for all they do.

Saturday - Celebrate Families

Do something fun with your family. Play a board game or cards, or go out sledding. Make it a special day by doing an act of service and kindness for each family member.
