Day 3: FRIDAY, OCTOBER 15
Philippi & Kavala & Thessaloniki. [B, D]
 Start the day with a visit to Philippi where St. Paul delivered his first sermon in Europe, saving the town from worship of the Nike of Samothrace (Acts 16:12-18). Here St. Paul baptized Lydia, the first Christian convert in Europe although most of the completely excavated Roman forum was built after Paul’s time, one can still see among its ruins, the prison where Paul and Silas were once jailed. Afterwards, continue to the modern port city of Kavala, ancient Neapolis, with a visit to the Monastery of Agios Nikolaos by Plati and Timothy, first set foot in Europe. Mass* requested at the Church of St. Paul in Kavala. Return to our hotel in Thessaloniki for dinner and the second of our two-night stay.

Day 4: SATURDAY, OCTOBER 16
Thessaloniki & Kalambaka. [B, D]
 Start the day with Mass* requested at the Cathedral of the Immaculate Conceptions in Thessaloniki. St. Paul preached in this city during the winter of 49-50 AD. Here he wrote the beautiful confession of faith and the best summary of salvation history in Philippians 2:6-11. See the ramparts of the city, the Ancient Agora, Porta Magica, through which St. John heard the Voice of God and saw the place. The Grotto has a three-fold crack (emphasizing the three persons of the Holy Trinity), through which St. John heard the Voice of God and saw the place. Afterwards, drive back to the picturesque port of Thessalonica to board your ship for your 2nd of two-night stay onboard.

Day 5: WEDNESDAY, OCTOBER 20
Rhodes. [B, D]
 Named for the native pink hibiscus flowers, the island of Rhodes has a captivating history, fantastic beaches and beautiful scenery. Famous for its Colossus of Rhodes statue that once guarded its harbor, Rhodes is also home to some of the most spectacular medieval fortifications anywhere, built by the Knights of the Order of Saint John in the Middle Ages. You may wish to visit several of the restored palaces and join a group on a visit to the Acropolis of Lindos and the Citadel of the Knights. The only written record of St. Paul in Rhodes is in Acts 21, where he was returning to Jerusalem from the island of Crete. On the island of Rhodes, the Cathedral of St. John the Baptist is the oldest Christian mosque in the World. It is said to be the place where the Blessed Virgin Mary lived. Local tradition tells us that St. John the Evangelist lived here during an apostolic journey (Mass requested here). Afterwards, continue on to ancient Ephesus, location of the Cathedral of St. John, also where St. Paul preached at the largest church in the ancient world, having a capacity of 24,000 people. His letter to the Ephesians is directed to inhabitants of this area. Just outside Ephesus are the remains of the Basilica of St. John the Evangelist, believed to be the exact site of John’s burial. In the 15th Century, the Emperor Justinian, over the city of St. John, the younger son of Zebedee, writer of the fourth Gospel, two Epistles and the Book of Revelation. Return to the ship for your sail in the Saronic Gulf, where the ruins of the famous ancient city of Mycenae are located. After a spectacular flight journey to the village of Chora, home of the Monastery of St. John, built within the strong walls of a 900-year-old fortification considered to be one of the greatest medieval fortresses. Visit the Monastery of the Apocalypse, where the Monastery of the Apocalypse stands as one of the main monasteries. The Cathedral is requested to be the place where the Book of Revelations (The Apocalypse) was written. Silver riches on the wall mark the pillow and ledge used as a desk by St. John the Evangelist. The Grotto has a three fold crack (emphasis on the Holy Trinity), through which St. John heard the Voice of God and saw the place. Return to the ship. Afterwards, return to the picturesque port of Scale to board your ship for your 2nd of two-night stay onboard.

Day 9: THURSDAY, OCTOBER 21
Heraklion & Santorini. [C]
 Arise in Heraklion. Crete, where St. Paul appointed Titus a Bishop to coordinate the Church there as it had been in the Old Testament. After we reach Rome persuaded the Centurion in charge of St. Paul’s custody to continue the journey to Rome by finding a better port to winter on the other side of Crete. Join for a private and careful walking tour of the ancient city of Rome. Mass* requested at St. John the Baptist Catholic Church. Afterwards, enjoy free time to stroll the beautiful streets, savour the local coffee, try a sucorello (Greek fast food), or shop for souvenirs. Return to our ship for an afternoon cruise to perhaps the most breathtaking scene in the Aegean Sea, Santorini Island, which dominates the Greek landscape. Mass requested on the Island of Santorini. In the town of Fira, white-washed houses, narrow streets, open-air cafes and glistening bougainvillea add to the stunning beauty of this island. Your visit here will be best served by fixing this excursion in your itinerary by cable car or mule. A private casual walking tour will be offered to those who wish to join it (cost of cable car and mules not included). Return back to the ship for the 4th and final night of our cruise.

Day 10: FRIDAY, OCTOBER 22
Cruise Disembarkation & Athens & Corinth. [C, D]
 After disembarkation, we visit the rock of the Acropolis to see the ruins of the Parthenon, Erechtheum & Propylaea. These sites have also comprised the pantheon of this city for 25 centuries! Afterwards, ascend Mars Hill where St. Paul spoke to the ancient Athenians about the one and only God. The hill has eloquent views of the ancient city, the former center of Athenian public life. A panoramic drive of the city will include views of the House of Parliament on Syntagma Square, the *evzones* in their ceremonial uniforms, quixotic the President’s Palace and the Tomb of the Unknown Soldier. The National Library. National University. The academy, the Panathenaeic Stadium where the first Olympics of the modern era were held in 1896, the marble temple of the Olympian Zeus and Adrian’s Arch. Continue on to Ancient Corinth where St. Paul lived for two years, preaching and ministering to the vigorous and mostly Gentile Church he founded in 50 A.D. The concern for the members of the Church prompted him to write the two letters to the Corinthians, including the famous passage, usually read in wedding Masses (1 Corinthians, Chapter 13). Visit the city of Corinth and the ancient city where Paul worked with Aquila and Priscilla. See the remains of the first century ship, the agora where Paul’s trial by Gallio took place. Return to the Fountain of Pyrene, Temple of Apollo and the Bema. Return to Athens for dinner and the 1st of a two-night stay.
