Catholic Charities of the Diocese of Green Bay
Catholic Charities of the Diocese of Green Bay is a multi-service agency serving individuals and families of all faiths throughout 16 counties in northeast Wisconsin. Working on behalf of those served, Catholic Charities invites people of faith to take a walk in service to people of all religions, and to those who are poor and of the margins of our society. Faithful to the teachings of the Church in the areas of social justice, we stand with the poor, advocate for life, and break down barriers of injustice.

The Office of Living Justice serves the needs of the community by raising awareness about issues of injustice and attacks on human dignity and applying the wisdom of the Church to these issues. By sharing our faith in Jesus Christ and the teachings of Catholic Social Teaching, we strive to inspire people to develop creative and life-giving responses to injustice in our community—locally, nationally, and globally. Through education, advocacy, collaboration, and communication, we work to address the systemic issues that contribute to injustice in our society and to be a voice for those whose voices are often silenced. As Missionary disciples, Catholic Charities labors in our communities uniting and serving those who have often been left out or felt alone to know and experience the tremendous and abundant love of God through His Son Jesus Christ.
